It does this by:

- providing proper rehabilitation care and support for children with disabilities.
- Empowering families with children with disabilities with income generating projects.
- Providing education support to children with disabilities.
- Providing medical care support to children with disabilities.

1.1. Purpose of our volunteer policy

Our volunteer policy has been created to show our volunteers and potential volunteers that we have spent time and care in planning how volunteers will be welcomed at Stand Together for Change. It also outlines that all volunteers will be treated in a fair and consistent way. It should also help our volunteers understand what support is available to them and what they can expect from us.
